Such Redemption Notice shall further state (a) that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date, and (b) that from and after such redemption date interest with respect thereto shall cease to accrue and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(A) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register.

(B) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Security Depository.

(C) At least 20 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither the failure to receive nor the failure to publish any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Such redemption notices may state that no representation is made as to the accuracy or correctness of the CUSIP numbers printed therein or on the Bonds.

(e) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(f) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest accrued to the applicable date of redemption) having been set aside as provided in Section 19 hereof, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 7(a) hereof, together with interest accrued to such redemption date, shall be held by the Paying Agent (or an independent escrow agent selected by the District) so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent (or an independent escrow agent selected by the District) for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 7 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Paying Agent.

(g) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Paying Agent (or an independent escrow agents elected by the District), in form satisfactory to it, and sufficient moneys shall be held by the Paying Agent (or an independent escrow agent selected by the District), irrevocably in trust as provided in Section 19 hereof for the payment of the redemption price of such Bonds or portions thereof, and accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Paying Agent for cancellation.

(h) Conditional Notice of Redemption. With respect to any notice of optional redemption of Bonds, unless upon the giving of such notice, such Bonds shall be deemed to have been paid within the meaning of Section 7(g) hereof or unless the Paying Agent holds cash or Government Obligations sufficient to pay the principal, premium, if any, and interest on the Bonds to be redeemed, such notice may state that such redemption shall be conditional upon the receipt by the Paying Agent on or prior to the date fixed for such redemption of moneys sufficient to pay the principal, premium, if any, and interest on such Bonds and that if such moneys shall not have been so received said notice shall be of no force and effect and the Paying Agent shall not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption shall not be made and the Paying Agent shall be within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

#### SECTION 8. Book Entry System.

(a) General. The Bonds shall initially be delivered in the form of a separate single fully registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination. The ownership of each such Bond shall be registered in the Bond Register in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 8(e).

With respect to book entry Bonds, the District and the Paying Agent shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book entry Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book entry Bonds; (ii) the delivery to any Participant or any other person, other

than an Owner as shown in the Bond Register, of any notice with respect to book entry Bonds, including any notice of redemption: (iii) the selection by the Depository and its Participants of the beneficial interests in book entry Bonds to be prepaid in the event the District redeems the Bonds in part; or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Principal, premium, if any, or interest on the book entry Bonds. The District and the Paying Agent may treat and consider the person in whose name each book entry Bond is registered in the Bond Register as the absolute owner (the "Registered Owner," or "Owner,") of such book entry Bond for the purpose of payment of Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Paying Agent shall pay all Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective Owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the Owner and the Paying Agent, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

(b) Delivery of Letter of Representations. DTC is hereby appointed depository for the Bonds. DTC shall perform such functions according to the blanket issuer letter of representations on file with the Paying Agent. In the written acceptance by DTC of the blanket issuer letter of representations, DTC has agreed to take all actions necessary for all representations in the blanket issuer letter of representations with respect to DTC at all times to be complied with. In addition to the execution and delivery of the blanket issuer letter of representations, the District shall take any other actions, not inconsistent with this Resolution or any supplemental resolution, to qualify the Bonds for the DTC book entry system.

(c) Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book entry Bonds, or (ii) the District determines that continuation of the book entry system is not in the best interest of the beneficial Owners of the Bonds or the District, then the District will discontinue the book entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in Section 8(e) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 7(c).

(d) Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all Outstanding Bonds are held in book entry and registered in the name of the Nominee, all payments by the District or the Paying Agent with respect to Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Paying Agent notwithstanding any inconsistent provisions herein.

(e) Transfer of Bonds to Substitute Depository. (i) The Bonds shall be initially issued as described in the Contract of Purchase, as described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

1. to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 8(e)(i)(2) ("Substitute Depository,"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it:

2. to any Substitute Depository, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

3. to any person as provided below, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(ii) In the case of any transfer pursuant to Section 8(e)(i)(1) or 8(e)(i)(2), upon receipt of all Outstanding Bonds of a Series by the Paying Agent, together with a written request of the District to the Paying Agent designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then Outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 7(e)(i)(3), upon receipt of all Outstanding Bonds of a Series by the Paying Agent, together with a written request of the District to the Paying Agent, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Paying Agent shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(iii) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Principal, in form acceptable to the Paying Agent, all in accordance with the Letter of Representations. The Paying Agent shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(iv) The District and the Paying Agent shall be entitled to treat the person in whose name any Bond is registered as the Owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Paying Agent or the District; and the District and the Paying Agent shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial Owners of the Bonds. Neither the District nor the Paying Agent shall have any responsibility or obligation, legal or otherwise, to any such beneficial Owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Paying Agent may rely conclusively on its records as to the identity of the Owners of the Bonds.

**SECTION 9. Transfer and Exchange.** So long as any of the Bonds of a Series remains Outstanding, the District will cause the Paying Agent to maintain and keep at its designated office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 10 hereof, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute Owner of that Bond for all purposes of this Resolution. Payment of or on account of the principal of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District nor the Paying Agent shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and principal amount upon presentation and surrender at the designated office of the Paying Agent, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the designated office of the Paying Agent together

with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Paying Agent. Upon exchange or transfer, the Paying Agent shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the principal amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series, tenor and principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence be satisfactory to the Paying Agent and indemnity for the Paying Agent and the District satisfactory to the Paying Agent shall be given by the Owner, the District, at the expense of the Bond Owner, shall execute, and the Paying Agent shall thereupon authenticate and deliver, a new Bond of like Series and tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Paying Agent may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Paying Agent and the District). The Paying Agent may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Paying Agent.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Paying Agent shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the Authorized Officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Paying Agent for payment, retirement, exchange, replacement or transfer shall be cancelled by the Paying Agent. The District may at any time deliver to the Paying Agent for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Paying Agent. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Paying Agent as requested by the District. The cancelled Bonds shall be retained for three years, then returned to the District or destroyed by the Paying Agent as directed by the District.

Neither the District nor the Paying Agent will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

**SECTION 10. Payment.** Payment of interest on any Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Paying Agent as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his or her address as it appears on such registration books or at such other address as such Owner may have filed with the Paying Agent for that purpose on or before the Record Date. The Owner in an aggregate principal amount of \$1,000,000 or more may request in writing to the Paying Agent that such Owner be paid interest by wire transfer to the bank and account number on file with the Paying Agent as of the Record Date. The principal, and redemption price, if any, payable on the Bonds shall be payable upon maturity or redemption upon surrender at the designated office of the Paying Agent. The interest, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Paying Agent is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof.

SECTION 11. Form of the Bonds. (a) The Bonds shall be issued in fully registered form without coupons. The Bonds and the certificate of authentication and registration and the forms of assignment to appear on each of them, shall be in substantially the form attached hereto as Exhibit A.

(b) The Bonds shall be signed by the manual or facsimile signature of the President of the Board, and countersigned by the manual or facsimile signature of the Clerk of the Board (or the designee of either such respective officers if the President or the Board Clerk of the Board are unavailable). The Bonds shall be authenticated by a manual signature of a duly authorized signatory of the Paying Agent.

(c) Only such of the Bonds as shall bear thereon a certificate of authentication and registration as described in subsection (b) of this Section executed by the Paying Agent shall be valid or obligatory for any purpose or entitled to the benefits of this Resolution, and such certificate of authentication and registration shall be conclusive evidence that the Bonds so authenticated have been duly authenticated and delivered hereunder and are entitled to the benefits of this Resolution.

(d) The Paying Agent shall assign each Bond authenticated and registered by it a distinctive letter, or number, or letter and number, and shall maintain a record thereof at its principal office.

SECTION 12. Deposit of Proceeds of the Bonds: Investments. (a) The purchase price received from the sale of the New Money Bonds, to the extent of the principal amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "Compton Unified School District General Obligation Bonds, 2015 Election Series A Building Fund,, (the "Building Fund,,) of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the New Money Bonds are being issued and provided further that such proceeds shall be applied solely to authorized purposes of the Election. The purchase price received for the New Money Bonds to the extent of any accrued interest and any original issue premium from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "Compton Unified School District General Obligation Bonds, 2015 Election Series A Debt Service Fund,, (the "Debt Service Fund,,) for the New Money Bonds, and used only for payment of principal of, premium, if any, and interest on the New Money Bonds.

Any amounts that remain in the Building Fund at the completion of the Projects, at the written direction of the District, shall be transferred to the Debt Service Fund to be used to pay the principal of, premium, if any, and interest on the New Money Bonds, subject to any conditions set forth in the Tax Certificate. Any excess proceeds of the New Money Bonds not needed for the authorized purposes set forth herein for which the New Money Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of principal of and interest on the New Money Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District.

The costs of issuance of the New Money Bonds are hereby authorized to be paid from proceeds of the Bonds. The proceeds of the New Money Bonds in an amount not to exceed 2.0% of the principal amount of the New Money Bonds may be deposited in a costs of issuance account, which may be created at the direction of an Authorized Officer in the County treasury or held by a fiscal agency appointed by an Authorized Officer for such purpose. The proceeds deposited shall be drawn out on the order of the Board or an Authorized Officer only to pay authorized costs of issuance of the New Money Bonds. Upon the order of the Board or an Authorized Officer, any balance of such funds shall be transferred to the County treasury to the credit of the Building Fund of the District. The deposit of bond proceeds pursuant to this Section and Section 15246(h) of the Education Code shall be a proper charge against the Building Fund of the District.

The purchase price received from the sale of the Refunding Bonds shall be deposited into the Escrow Fund established under the Escrow Agreement except for such portion as the District may direct to be applied for costs of issuance of the Refunding Bonds.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District in Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund. Except as required to satisfy the requirements

of Section 148(f) of the Code, interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the principal of and interest on the Bonds when due.

**SECTION 13. Designated Costs of Issuing Refunding Bonds.** The refunding of all or a portion of the 2006 Series C Bonds is hereby approved. Each such refunding shall be accomplished by redeeming all or a portion of the 2006 Series C Bonds on the earliest practicable date for which notice of redemption can be given and paying the redemption price therefor, plus accrued interest thereon to the date of redemption. In accordance with Section 53553 of the California Government Code, with respect to the Refunding Bonds this Board hereby designates the following costs and expenses as the "designated costs of issuing the refunding bonds,,:

- (i) all expenses incident to the calling, retiring, or paying of the applicable Refunded Bonds and incident to the issuance of the Refunding Bonds, including the charges of any escrow agent, trustee or verification agent in connection with the issuance of the Refunding Bonds or in connection with the defeasance, redemption or retirement of such Refunded Bonds;
- (ii) the interest upon the Refunded Bonds from the date of sale of the Refunding Bonds to the date upon which such Refunded Bonds will be paid pursuant to call; and
- (iii) any redemption premium necessary in the calling or retiring of such Refunded Bonds.

**SECTION 14. Security for the Bonds.** The money for the payment of principal of, redemption premium, if any, and interest on the Bonds shall be raised by taxation upon all taxable property in the District and provision shall be made for the levy and collection of such taxes in the manner provided by law and for such payment out of the interest and sinking fund of the District. The Board of Supervisors and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The County Board, the County Auditor-Controller, the County Treasurer and other officials of the County are hereby requested to take and authorize such actions as may be necessary pursuant to law to provide for the levy and collection of a property tax on all taxable property of the District sufficient to provide for payment of all principal of and interest on the Bonds as the same shall become due and payable, and to apply moneys in the District's interest and sinking fund as necessary to the payment of the Bonds, as provided herein, and to provide for the payment of any portion of any of the Bonds which are to remain outstanding pursuant to the authorizing resolution or paying agent agreement, as applicable, under which such bonds were issued. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, (i) to transmit a certified copy of this Resolution and the debt service schedule for the Bonds to the County Board, the County Auditor-Controller and the County Treasurer in sufficient time to permit the County to establish tax rates and necessary funds or accounts for each Series of Refunded Bonds, and (ii) to formally request that the County adopt a resolution to levy the appropriate taxes as herein provided. This District hereby agrees to reimburse the County for any costs associated with the levy and collection of said taxes upon such documentation of said costs as the District shall reasonably request.

The County Board, the Auditor-Controller, the County Treasurer and other officials of the County, are hereby requested to take and authorize such actions as may be necessary, upon, but only upon, the defeasance or redemption of the Refunded Bonds from proceeds of the Bonds, to discontinue the levy of property taxes on all taxable property of the District for the payment of the Refunded Bonds pursuant to Section 53561 of the Government Code.

The obligation to pay principal, premium, if any, and interest on the Bonds is a statutory obligation of the District. Principal and interest, if any, due on the Bonds shall be paid from the respective Interest and Sinking Fund of the District for each Series of Bonds as provided in Section 15146 of the Education Code. The tax levied for the Bonds is levied specifically for the purpose of paying the Bonds issued to finance the projects specified in the 2002 Authorization and the 2015 Authorization and for no other purpose.

In accordance with Section 15251 of the Education Code and Section 53515 of the Government Code, the Bonds shall be secured by a statutory lien on all revenues received pursuant to the levy and collection of the tax for the Authorizations. The lien shall automatically attach without further action or authorization by the District or the County. The lien shall be valid and binding from the time the Bonds are executed and delivered. The revenues received

pursuant to the levy and collection of the tax shall be immediately subject to the lien, and the lien shall automatically attach to the revenues and be effective, binding, and enforceable against the District, its successors, transferees, and creditors, and all others asserting rights therein, irrespective of whether those parties have notice of the lien and without the need for any physical delivery, recordation, filing, or further act.

The District hereby pledges all revenues from the property taxes collected from the levy by the County Board and amounts on deposit in the Interest and Sinking Fund of the District for the payment of the principal or redemption price of and interest on the applicable Bonds. This pledge shall be valid and binding from the date hereof for the benefit of the owners of the Bonds. The property taxes and amounts held in the Interest and Sinking Fund of the District for the applicable Bonds shall be immediately subject to this pledge, and the pledge shall constitute a lien and security interest which shall immediately attach to the property taxes and amounts held in such Interest and Sinking Fund of the District to secure the payment of the Bonds and shall be effective, binding, and enforceable against the District, its successors, creditors and all others irrespective of whether those parties have notice of the pledge and without the need of any physical delivery, recordation, filing, or further act. This pledge is an agreement between the District and the owners of the Bonds to provide security for the Bonds in addition to any statutory lien that may exist, and the Bonds are issued to finance or refinance one or more of the projects specified in the 2002 Authorization and the 2015 Authorization and not to finance the general purposes of the District.

SECTION 15. Tax Covenants. The District covenants to comply with all applicable requirements of the Code necessary to preserve such exclusion from federal gross income and to comply with the terms of the Tax Certificate. These covenants shall survive payment in full or defeasance of the Bonds.

SECTION 16. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Clerk of the Board of Trustees is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Financial Advisor, as the case may be, to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement "final," pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter of the Bonds a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve.

SECTION 17. Continuing Disclosure. The form of the Continuing Disclosure Certificate attached to the form of the Preliminary Official Statement is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver the Continuing Disclosure Certificate with such changes, insertions and omissions as the Authorized Officer executing the same on behalf of the District may require or approve, such requirement or approval to be conclusively evidenced by the execution thereof by such Authorized Officer. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, as originally executed and as it may be amended from time to time in accordance with the terms thereof.

SECTION 18. Escrow Agreement. The form of Escrow Agreement, submitted to and on file with the Clerk of this Board of Trustees, is hereby approved. The Authorized Officers are, and each of them is, hereby authorized, and any one of the Authorized Officers is hereby directed, for and in the name of the District, to execute and deliver one or more Escrow Agreements in the form presented to this meeting, with such changes, insertions and omissions as the Authorized Officer executing the same may require or approve, such requirement or approval to be conclusively evidenced by the execution of the applicable Escrow Agreement by such Authorized Officer.

SECTION 19. Defeasance. All or any portion of the Outstanding maturities of a Series of Bonds may be defeased prior to maturity either:

(a) by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts transferred from the Debt Service Fund is sufficient to pay all Outstanding Bonds of a Series and designated for defeasance, including all principal and interest and premium, if any; or

(b) by irrevocably depositing with an independent escrow agent selected by the District Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys transferred from the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Outstanding Bonds of a Series and designated for defeasance (including all principal and interest represented thereby and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the Owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, "Government Obligations," shall mean: (a) non-callable direct and general obligations of the United States of America (including state and local government series), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, including (in the case of direct and general obligations of the United States of America) evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations; provided that investments in such proportionate interests must be limited to circumstances wherein (i) a bank or trust company acts as custodian and holds the underlying United States obligations; (ii) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (iii) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; and (b) non-callable obligations of government sponsored agencies that are rated in one of the two highest rating categories assigned by S&P (defined herein) or Moody's (defined herein) but are not guaranteed by a pledge of the full faith and credit of the United States of America.

SECTION 20. No Liability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County's full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from *ad valorem* taxes lawfully levied to pay the principal of or interest on the Bonds.

SECTION 21. Bond Insurance. The payment of principal of and interest on all or a portion of the Bonds may be secured by a municipal bond insurance policy as shall be described in the Contract of Purchase. The Authorized Officers are each hereby authorized and directed to apply for, or cause to be applied for, municipal bond insurance for the Bonds and to obtain such insurance if determined to be in the best interests of the District, such determination to be conclusively evidenced by the issuance of such municipal bond insurance policy.

SECTION 22. Professional Services. In connection with the District's issuance and sale of the Bonds, each Authorized Officer is hereby authorized to enter into an agreement for professional services on behalf of the District for Bond Counsel and Disclosure Counsel with Hawkins Delafield & Wood LLP.
